Introduction

Welcome to Flora Disability Care Services, where we are committed to empowering individuals with disabilities. We believe in inclusivity and provide customized services, innovative programs, and unwavering support to help our clients achieve their goals. Our dedicated team works tirelessly to overcome obstacles and promote independence, enhancing the lives of those we serve. Our mission is to build a society that embraces diversity, where everyone can make valuable contributions regardless of their abilities. We are actively shaping a more inclusive future for all. Join us today and let's work together towards a brighter tomorrow.

NDIS Providers Sydney: Ensuring Comprehensive Disability Support Services

The National Disability Insurance Scheme (NDIS) is a vital program that is dedicated to ensuring that every person has access to the necessary support and care they require. At True Help Support, we take pride in being a trusted and renowned NDIS service provider in Sydney, committed to providing comprehensive support services to NDIS participants. We are honored to assist individuals with a range of disabilities, including intellectual, physical, sensory, cognitive, or psychosocial disabilities.

Our commitment:

As one of the leading NDIS service providers in Sydney, we are committed to providing personalized support to every participant, regardless of their location in the Sydney suburbs. We are a multicultural organization that places a great deal of importance on the well-being of our clients. Our team of experienced support workers is not only professionally qualified but also has a deep understanding of the unique needs of the community across Sydney.

Flora care: The Optimum Choice Among NDIS Service Providers in Sydney :

At Flora care, we are committed to going above and beyond. Our specialist NDIS support workers are dedicated to providing effective disability support services that Sydney residents can rely on. Our goal is to empower every individual to achieve their objectives by providing assistance with day-to-day activities and fostering community participation. Our multilingual and multicultural team spans Sydney, providing comprehensive support to all.

If you require further information about our disability support services or would like to discuss your requirements, please call us on 1300 FLORA1(356721) to speak with our NDIS support providers in Sydney today. We look forward to the opportunity to support you in achieving your goals.

Services We provide :

Personal Care and companionship

At Flora Care Services, we provide private in-home personal care services delivered by a compassionate and qualified team of care workers. Our discreet personal care professionals offer assistance with tasks like bathing, dressing, grooming, toileting and other personal care tasks. Our companionship services can help reduce loneliness and social isolation in seniors, leading to improved well-being and often a longer and healthier life. Contact us today to learn more about our personalised care and support services.

Community Participation

At Flora Care Services, we provide NDIS community access and social participation activities to improve overall well-being. Our programs aim to build social skills, confidence and break down barriers caused by disability. We offer a range of activities, including visiting camps, museums, and recreational hubs across Sydney. Come to us for comprehensive NDIS community access support services.

Travel and Transport

Our dedicated support workers offer transportation options tailored to your needs. Choose our vehicle or assistance with your own car or public transportation. We provide safe and reliable transportation, customized to meet your specific needs.

Domestic Assistance

We provide Daily Life Tasks Assistance under the NDIS support plan to individuals with disabilities. Our experienced team offers a comprehensive range of services, including cleaning, laundry, meal preparation, general house maintenance, and outdoor maintenance. We provide personalized services tailored to meet the unique needs of each individual.

Group/Centre Activities

Flora disability care services offers a diverse range of group and centre-based activities for NDIS participants in Sydney. Our activities encourage socialization and cater to a wide range of interests, including capacity-building activities that help participants explore their personal interests. Our focus on socialization helps promote a healthy and positive lifestyle.

Vision

Our vision is to enable all participants of the National Disability Insurance Scheme (NDIS) to exercise complete autonomy and control over their lives, while simultaneously achieving well-being and self-sufficiency. We, at True Help, believe in fostering inclusive and supportive communities, which can be achieved by bolstering human connections and strong networks.

Mission

Our organization's objective is to work in collaboration with you to navigate the National

Disability Insurance Scheme (NDIS) and gain a comprehensive understanding of your priorities in order to effectively implement your NDIS plan. Our ultimate aim is to identify your goals and aspirations to ensure that your NDIS plan is maximized. As a result, True Help seeks to provide unparalleled assistance in achieving your objectives.

Values

Our operations and processes are based on a set of values that define our approach towards providing care and support to participants.

Why Choose Flora Care For Family?

We understand that caring for elderly individuals, those with disabilities, and those in need of additional support can be challenging. Our services go beyond merely providing a caregiver. We are committed to offering compassionate and personalized care to meet the unique needs of each individual. We would be honored to assist you and your loved ones in any way we can. Please do not hesitate to reach out to us to discuss how we can be of assistance.
